

Industrial Electrician – JBS Foods Ontario Inc

With approximately 3,300 employees, JBS Food Canada ULC (“JBS Canada”) is one of Canada’s largest beef processors. Consisting of four locations—the main processing facility located in Brooks, Alberta, where approximately 4,200 head of cattle are harvested and processed daily; the Head Office and a case ready plant, both based in Calgary, Alberta; and JBS Ontario, a case ready plant located in Belleville, Ontario. The JBS Canada facility in Brooks has the capacity to produce products ranging from boxed beef primals, ground beef, beef trimmings, beef by-products and hides which are shipped across Canada and worldwide. At the multi-protein Mountain Creek Farms case-ready facility in Calgary, JBS Canada produces value-added products including marinated, portion sized, multi-pack options, kebabs and much more. JBS Ontario in Belleville produces fresh meat and seafood products for leading retailers in Canada.

At JBS Canada, our people are our greatest asset. We are very proud to have a team of high achieving, engaged employees. We are currently seeking an **Industrial Electrician** to join our team at our facility in Belleville, ON.

NOTE: This role will be located in Belleville, ON.
